## FACILITIES CONTROL THE EXPERIENCE

### GO THE EXTRA MILE

Favorite websites. Workouts you create just for your facility. You can offer a one-of-a-kind experience by giving users unique content and entertainment that's truly more personal, informative and inspiring.

### MAKE IT YOUR OWN

Step up the game and brand your equipment with your facility's identity. Create a custom scrolling message that informs users about services and programs. Updating your content is easy and allows you to keep exercisers up-to-date, every day.

### KEEP IT GOING

Stay on top of what helps make your facility tick. Keep tabs on usage data, internet connectivity and extended reporting features that allow you to run things more smoothly. Plus, you can perform equipment software updates online, so you can easily upgrade and expand content over time.

## EXERCISERS MAKE IT PERSONAL

### GO AHEAD, SWIPE IT

Discover's Swipe™ Technology and high-definition screen displays content and controls with vibrant images and graphics. Navigate seamlessly between screens to choose the entertainment and workouts you want.

### IN CONTROL

Keep users connected with open browsing they can personalise. They can edit website selections and create favorites with LFconnect.

### EXCEED EXPECTATIONS

Now exercisers can log in via smartphone, PIN, USB drive or RFID and see your facility's personalised content. They can connect with friends, personal trainers or groups through My Community or other social platforms to motivate and challenge them. Users can link to their personal trainers or set-up customised workouts through LFconnect.

## HIGHLIGHT FEATURES

### LFCONNECT COMPATIBILITY

LFconnect™ is a complementary cloud solution for facility owners and exercisers that opens up a world of resources and choices to create the ultimate product experience. Facility owners can enjoy easy asset management and customisation in one convenient platform. Exercisers can choose equipment settings and track workout results to meet their goals.
