

# INSIGNIA SERIES

*LifeFitness*

A new standard in selectorized strength equipment. The Insignia Series combines an elegantly modern design, proven biomechanics and premium customization options to enhance any facility.

*LifeFitness*

### **FUNCTIONAL DESIGN**

- Smooth movements, ergonomic grips and easy adjustments all add up to user comfort
- Low-profile towers improve sight lines and encourage social interaction and an inviting atmosphere

*LifeFitness*

## AESTHETIC DESIGN

- Strikingly modern design is a way to differentiate a facility and make it inviting to exercisers
- Multiple shrouds, upholstery color choices and different frame colors provide several customization options

*LifeFitness*

## CHOICE

Choose from 21 pieces and between two package options.
