

Activate SERIES

TREADMILL

Essentially Life Fitness, Activate Series is everything people need for a great workout. This highly durable, reliability-tested cardio equipment makes the most of any space and helps exercisers do the same.

The Activate Series Treadmill delivers the leading features that have made Life Fitness treadmills the top choice of commercial facilities around the globe and is proudly made in Franklin Park, IL, USA, "The Treadmill Capital of the World".

PERFORMANCE FEATURES

STATE-OF-THE-ART MOTOR

Powerful 3-horsepower MagnaDrive™ AC motor system (6-horsepower peak) ensures a smooth workout while being remarkably energy efficient

FULLY WELDED FRAME

Proven Life Fitness components are solidly welded by expert treadmill craftsmen, ensuring a durable machine that is reliable over time

HEART RATE MONITORING

Lifepulse™ digital heart rate monitoring hand sensors are conveniently placed on the Ergo™ bar to provide accurate heart rate monitoring and Polar® telemetry provides hands-free heart rate monitoring when used with an optional chest strap

INTUITIVE CONSOLE

Clear, simple controls offer exercisers clear direction for quick start or pre-programmed workouts, and the workout summary provides valuable feedback

Activate Console

Details on back.

HIGHLIGHTED FEATURE

FLEXDECK® SHOCK ABSORPTION SYSTEM

Our patented system reduces knee and joint stress by up to 30% more than exercising on non-cushioned surfaces, decreasing the chance for injury and keeping runners feeling great on or off the treadmill.

TREADMILL DETAILS

- Speed 0.5 - 12.0 MPH (0.8 - 19.3 KPH)
