

ELEVATION SERIES

LIFECYCLE RECUMBENT EXERCISE BIKE

PREMIUM CARDIO EQUIPMENT THAT INSPIRES

Elevation Series is the result of superior biomechanics, thoughtful design and an innovative push toward the connected experience.

RIDE IN COMFORT

The recumbent is designed to allow exercisers to easily get on and off, and navigate around the bike. The recumbent seat offers a deluxe back support that allows exercisers to easily adjust the seat from a sitting position.

CONNECTED CONSOLES

Connected consoles ensure that facilities have the workout data they need and that exercisers have the connection they expect, without interruption.

ASSET MANAGEMENT

Connected consoles ensure that facilities have the data they need to drive engagement and prolong equipment life.

COLOR CHOICES

Choose from Arctic Silver, Titanium Storm, Black Onyx or Diamond White to find a color that best fits your facility.
