

# INTEGRITY SERIES

SC ELLIPTICAL CROSS-TRAINER

The Integrity™ Series is rooted in more than 20 years of reliability and innovation. Continuous innovation and improvement ensures that this workhorse cardio line remains a trusted fixture in facilities around the world.

## INTEGRITY C CONSOLE

Offers simplicity for exercisers who just want to get on and go. The large LED and straightforward display make navigation easy. Resistance adjustment buttons are easily accessed during a workout.

## LFCONNECT DIGITAL SOLUTIONS

Detailed equipment data offers valuable insight into exerciser habits, staffing needs and equipment layout suggestions. LFconnect™ Protect digital service allows Life Fitness service professionals to proactively monitor equipment and alert you to issues or preventive maintenance needs. Wireless connection lets you take advantage of these LFconnect solutions.

BASE FEATURES

NATURAL STRIDE

The 20" stride has a smooth and fluid motion developed from years of research. A large area of knee clearance makes it comfortable for tall exercisers.

ERGONOMIC GRIP HANDLES

Moving handles are comfortable and offer easy heart-rate monitoring.

OVERSIZED NON-SLIP PEDALS

Large 15" pedals provide plenty of foot placement options for exercisers. The non-slip surface of the pedals is easy to clean.
