

DISCOVER ST CONSOLE

The Discover ST tablet console offers entertainment provided by an integrated high-definition TV and simple exerciser interaction through an intuitive touch screen.

INTEGRATED HD TV

An integrated TV with customizable controls gives exercisers easy access to entertainment during workouts.

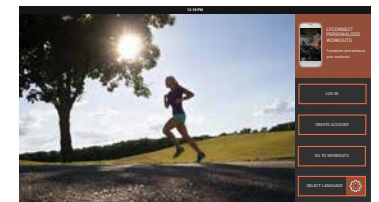

EASY NAVIGATION

Touch screen interaction allows for exercisers to quickly choose workouts, TV channels and more.

CUSTOMIZABLE HOME SCREEN

Facilities can create their own console screen message to communicate with members and bolster their brand.

EASY LOGIN PROCESS

Proximity Bluetooth® and NFC make connection easy and let exercisers sync their workouts to their favorite apps via the LFconnect app.

LFconnect
Equipment Management

A suite of services that creates a memorable brand experience and makes it easier to manage a facility.

Facility Traffic

View equipment usage statistics through a visual heat map to see how, when and where people are interacting with your equipment.

LFconnect Protect²

Our agents monitor your equipment to make sure it is operating properly. If we see an issue, we diagnose the problem and offer a solution.

Preventive Maintenance

View service notices that provide information on equipment rotation, belt inspection and routine maintenance so that your facility is running at peak performance.

Tailored Experience

Customize the console screen image, TV channels, and product speed and resistance. Life Fitness allows you to improve the overall experience of your brand.
