

# DISCOVER ST CONSOLE

The Discover ST console offers entertainment provided by an integrated high-definition TV, interactive workout options, and an intuitive touch screen.

## INTEGRATED HD TV

An integrated TV with customizable controls gives exercisers easy access to entertainment during workouts.

## ENGAGING WORKOUTS

Performance Run (shown) view makes treadmill interval training easy, while Lifescape interactive courses let exercisers tour scenic locales from around the world.

## CUSTOMIZABLE HOME SCREEN

Facilities can create their own console screen message to communicate with members and bolster their brand.

## EASY LOGIN PROCESS

Proximity Bluetooth® and NFC make connection easy and let exercisers sync their workouts to their favorite apps via the LFconnect app.
