

ELEVATION SERIES

LIFECYCLE RECUMBENT
EXERCISE BIKE

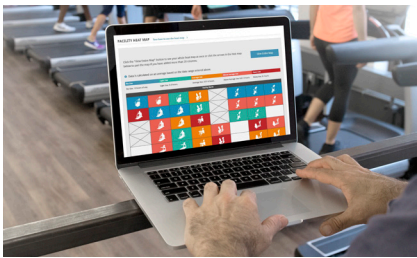

PREMIUM CARDIO EQUIPMENT THAT INSPIRES

Elevation Series is the result of superior biomechanics, thoughtful design and an innovative push toward the connected experience.

RIDE IN COMFORT

The recumbent is designed to allow exercisers to easily get on and off, and navigate around the bike. The recumbent seat offers a deluxe back support that allows exercisers to easily adjust the seat from a sitting position.

HALO FITNESS CLOUD

Powerful digital technology that provides a range of tools that can be mixed and matched to make day-to-day business easier. It includes options like equipment monitoring, tools for better communication with members, job tracking and more.¹

CHOOSE YOUR EXERCISER EXPERIENCE

Console options allow you to match the expectations of your exercisers, whether they're looking access their favorite apps or simply want to watch TV during a run.

COLOR CHOICES

Choose from Arctic Silver, Titanium Storm, Black Onyx or Diamond White to find a color that best fits your facility.

FEATURED:
Elevation Series Recumbent Lifecycle
Bike with Discover SE3 HD Console and
Arctic Silver frame color
