## DURABLE AND SLEEK

The Integrity Series Elliptical Cross-Trainer has been designed to offer a natural feeling motion for a wide range of exercisers. Elevated aesthetics make it more inviting, but it stays true to the workhorse durability that Integrity Series is known for.

FEATURED:  
Integrity Series Cross-Trainer with  
Deluxe Base and SL Console  
in Black Onyx

## NATURAL STRIDE

The 20" (50.8 cm) stride has a smooth and fluid motion developed from years of research. A large area of knee clearance makes it comfortable for tall exercisers.

## VERSATILE MULTI-GRIP HANDLES

Multi-grip design lets exercisers choose a comfortable hand position. The Deluxe base offers integrated resistance controls that make it easy to change a workout on the fly.

## OVERSIZED FLEXFORM PEDALS

The large 15" (38 cm) FlexForm™ crowned pedal helps reduce numb foot. The non-slip pedal surface is easy to clean (available on Deluxe Base only).
