PHONE HOLDER

Place your phone in a secure spot while you're working out.

LCD CONSOLE WITH PERFORMANCE METRICS

View and measure metrics like time, distance, speed, pace, watts, calories and heart rate.

SLATTED CURVE DESIGN

Designed for traction, durability and efficient biomechanics.

HEAVY DUTY SUPPORT ARMS

Durable design supports a wide range of athletes.

TRANSPORT HANDLES

Easy-to-use handles for lifting and moving the HD Tread.

**HAMMER
STRENGTH®**

The HD Tread offers the same durability found with all Hammer Strength equipment. Tested to exceed and outperform the expectations people have come to know from Hammer Strength.

The self-powered machine has a slatted curve design. The workout experience more closely resembles sprinting mechanics on the field when compared to a machine-powered tread.
